Okay, I think this is ready for next level review. I have to the best of my ability incorporated or addressed inputs from the review team

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process Hopefully we are pretty close. There are a couple of items highlighted for ORD's further input.

But if you all could take a quick read-

through of this and let me know if you see anything significant I missed by noon or so tomorrow, I can do a final tune-up before we send it back out to the team tomorrow. Greg, there are a number of places flagged for your input, and Kimi/Lucita, one place flagged for yours.
